LIVE TRADING Session with Tom Busby and Fausto Pugliese
Professional Traders Trading Their Money in a Live Market
Emphasis on LIVE TRADING in stocks and futures

Busby and Pugliese band together with a wide range of sources that stem from years of experience. Pugliese is one of the first independent traders to take advantage of the Direct Access Trading technology boom in 1987, and traders have been requesting his teaching and guidance on trading the markets ever since. Busby has been trading the S&P 500 Futures since its inception in 1982, and it serves as the cornerstone of his trading methodology. He is the author of the best-selling books "Winning the Day Trading Game", "The Markets Never Sleep", and his latest: "Trade to Win".

Tom Busby is the founder, President and Chief Instructor of the Day Trading Institute in Mobile, Alabama. Tom has traded the S&P 500 every day (but six) since its inception in 1982, and is well known throughout the trading community. In 1996, he founded the Day Trading Institute to teach others his unique method of using the S&P 500 as the market leader for trading futures, options, equities and other securities. The Day Trading Institute teaches its students how to approach the market using technical analysis combined with risk management techniques. More information about Tom Busby and the educational and informational services of the Day Trading Institute may be obtained by calling toll-free 800.745.7444 or by email to info@dtitrader.com.
